Re: *United States v. Trevor Milton*, 21-cr-478 (ER)

Dear Judge Ramos,

Defendant Trevor Milton writes to respectfully request permission to file an oversized Memorandum of Law in support of his post-trial motion pursuant to Rules 29 and 33 of the Federal Rules of Criminal Procedure. Mr. Milton requests permission to file a brief that is up to 42 pages long. The government has no objection to this request.

The post-trial motion addresses some of the complex factual and legal questions raised during Mr. Milton's more than two-week long trial (which resulted in a trial transcript of over 3,000 pages), and also presents legal arguments based on juror conduct that either first occurred or first came to light after the verdict was returned. Accordingly, the additional pages requested are necessary for Mr. Milton to present these new facts to the Court and fully brief each of the issues.

Mr. Milton also requests, pursuant to Rule 2(d) of your Honor's Individual Practices, that oral argument be heard on the motion.

Respectfully submitted,

/s/ Alexandra A.E. Shapiro
